- The IDA's 2022 Annual Audit by PKF O'Connor Davies was received and submitted as was the IDA's projected 2023 budget. Any cash on hand is maintained in a segregated bank account and all checks are signed by two Board members. There was no credit or debit card for the agency in 2022.
- The IDA website shall be updated to ensure that it contains all information required by the Public Authorities Accountability Act, and is working on updating all necessary information.
- The IDA met on an as needed basis as the only applicants for projects within the Town of Montgomery and Villages of Montgomery, Maybrook, and Walden sought approval from the Town of Montgomery IDA and only sought resolutions and letters of support from the IDA.
- In summary, the internal control structure and procedures of the Town of Montgomery IDA are adequate for the business being conducted and in compliance with State law.
